The contractor should supply such of the quantities as are ordered from time to time by the Superintendent of the Workshop without any undue delay and as required. If the supply is found to be not satisfactory or in time, the Superintendent will cancel the contract and forfeit the earnest money.

B. G. A. MUDALIAR,
Superintendent.

AGRICULTURE DEPARTMENT.

OFFICE OF THE AGRICULTURAL ENGINEER, BANGALORE.

Abstract Notification dated 12th August 1939.

Attention of the public is invited to this Office notification, No. 6 dated 14th August 1939, calling for tenders for constructing a granary at Naganahally Paddy Breeding Station, published on page 1631, Part VI of the *Mysore Gazette*, dated 17th August 1939.

Abstract Notification dated 14th August 1939.

Attention of the public is invited to the notification No. 7, dated 14th August 1939, regarding tender for constructing Kutcha Tobacco Barn at the Ramakrishna Krishi Sala, published on pages 1631 and 1632, Part VI of the *Mysore Gazette*, dated 17th August 1939.

M. G. SINGARACHAR,
Agricultural Engineer.

GOVERNMENT STUD FARM, KUNIGAL.

Notification dated 22nd August 1939.

It is hereby notified for general information that the right of collecting Honge seeds and fallen leaves (Taragu) Tamarind, Seegai, Mango and Cocoanut fasals in the Kunigal Stud Farm proper, the kavals and gardens attached to it, *viz.*, Herur Kaval and Begur Gardens, will be sold by public auction on the 7th September 1939 at 10 A.M. by the undersigned for a period of one year, at the Stud Farm Office (1939-40).

The right of collecting and removing the produce above described will be disposed of to the highest bidder, subject to confirmation of the same by the Chief Commandant, Mysore State Troops, Bangalore, who, at his discretion may accept or reject the highest or any other bid without assigning any reason therefor.

The successful bidder shall, at the close of the sale, pay the entire amount of sale together with the local cess at one anna per rupee, education cess at six pies per rupee, and railway cess at three pies per rupee on the entire sale amount. In default, the right will be resold at the risk of the defaulting purchaser who will be liable to make good any loss that may result to Government by such resale, but will not participate in any profit accruing therefrom.

N.B.—If the deficit be not paid, the same will be recovered as an arrear of land revenue.

If the sale is not confirmed, the amount will be refunded to the party.

The accepted bidder will execute an agreement on a stamped paper within fifteen days of the intimation of confirmation of the sale, binding himself to observe the conditions specified hereunder. In default, the acceptance of this bid will be revoked, the money already paid forfeited and the right resold at his risk.

Conditions to be observed by the Lessee.

(1) The lessee should hold himself responsible for the cutting or injuring other trees on the plea of collecting the produce. He shall be personally responsible for the acts of his agents or servants.
(2) The lessee shall furnish a list of sub-contractors, agents, or servants who may be appointed by him for the collection of the produce.
(3) The lessee shall work out the lease himself, and not transfer or sublet it to others without the previous sanction of the undersigned.
(4) The coollies employed by the lessee must take permission from the undersigned before they enter the Farm and Gardens, etc., attached to it.
(5) The lessee shall remove out of the limits of the Kunigal Stud Farm and Gardens, etc., all produce collected under the terms of the lease, before the contract period, *viz.*, one year (1939-40).

(6) Neither the lessee nor his servants shall enter the Farm and Gardens, etc., either before sunrise or after sunset.

(7) The lessee *should not cut branches* and collect only the fallen Honge leaves.

In the event of breach of any of the above conditions, the lease will be liable to be cancelled and the lessee fined to the extent the Chief Commandant, Mysore State Troops, thinks fit.

J. J. MALLICK
Superintendent

MYSORE STATE RAILWAY.

OFFICE OF THE DISTRICT ENGINEER, MYSORE STATE RAILWAY, BANGALORE CITY.

Abstract Notification dated 18th August 1939

The attention of the public is invited to the detailed notification published on pages 1604-1605 of Part VI of the *Mysore Gazette*, dated 17th August 1939 *re* collecting and spreading broken stone ballast on Bangalore Hindupur Section for tersailing between miles 134/15-16 and 145/14-15.

The last date for receiving tenders is 4th September 1939 up to 12 NOON

" In modification of paras 13 and 14 of Notification of 31st July 1939, please read as under :—

Item 13.—The work of collection of metal ballast should be completed by 75 per cent by the end of December 1939, and 90 per cent by the end of January and the balance by end of February 1940.

Item 14.—Contractors should specify in their tender the quantity they propose to collect at the nearest Depot or mileage from where it can be spread between miles 134/15-16 and 145/14-15. The collection may extend from 134/15-16 to mile 158 also.

Contractors should use their discretion in mentioning the places where they are going to collect ballast. The places should be such as to facilitate easy loading of the ballast in trucks. All the charges of levelling up the ground, etc., for stacking the materials will be borne by the contractors.

The time of sending the tenders has been extended up to 18th September 1939, Monday, 4 P.M."
